

# MOONLIGHT RETREAT

*Indulgence in the Otways*

## Bed & Breakfast Suites

We know that for some people, the perfect escape may not include getting up to make breakfast.

That's why when you stay in Moonlight Retreat's Bed & Breakfast wing, in one of the traditional private Bed & Breakfast Suites we do it for you..

Views to the 12 Apostles, luxury appointments, King Size Beds, with the freedom of a single night stay, and the extra pampering with afternoon tea and a bottle of Sparkling wine. Evening meals are also available for Bed & Breakfast guests. So once you arrive all you need to do is sit back and relax.

Alternatively, for multi night stays Moonlight Retreat's five star fully self-catering cottages, complete with a full range of luxury extras, are available. So the choice is yours.

We look forward to having you come and share our Moonlight some time soon.
